

## Conference Introduction

2018 International Conference on Electronics and Electrical Engineering Technology (EEET 2018) will be held in Tianjin Polytechnic University, Tianjin, China during September 19-21, 2018. It is sponsored and organized by Hong Kong Chemical, Biological & Environmental Engineering Society (HKCBEEES) and Biology and Bioinformatics Society (BBS) and assisted by Tianjin Polytechnic University.

EEET is an annually-held international conference devoted specifically to facilitate synergies in research and development in the areas of Electronics and Electrical Engineering Technology. It provides the communication platform for those who are leading experts and scholars in Electronics and Electrical Engineering Technology from around the world.
